Julie, I spoke to Tan and Gao, and at this time they do not have any firm plans on retirement. Tan seems committed for at least a year, and Gao is waiting for some family matters to be decided that will take several months. I would not plan on them retiring in the near future at this time. CBS

Chuck & Cam,

Can you give me a projection of who will work OT and approximately how many hours through the end of the fiscal year? Thanks.

Julie
